

Dear Hiring Manager,

I am Niteen Thakare, I have 3+ years of experience as Software Quality Analyst in iNautix Technology, Pune. Currently I looking for job change. Because my project is at last stage. I have read email send by you, there is opening for Quality Analyst in your organization. I would like to apply for same. Followings are my manual and automation testing skill.

Manual Testing: System and Functional testing, Mysql, Postman, Soap Ui.

Automation Testing: Selenium, Java, TestNg, Maven.

Please find my uploaded resume and looking forward my application.

Thanks and Regards,

Niteen Thakare
